4.2. Number Phrase in Old English .....	56
4.3. Kase Phrase in Old English .....	67
5. Summary and conclusions .....	74

## **Chapter 2: Non-floating structures**

1. Introduction .....	77
2. Peripheral positions .....	79
2.1. Introduction .....	79
2.2. Predeterminer position .....	80
2.2.1. Quantifiers .....	80
2.2.2. Numerals and other predeterminer constituents .....	94
2.2.3. Pronominal structures .....	98
2.3. Postnominal position .....	101
2.3.1. Quantifiers .....	101
2.3.2. Numerals and other postnominal constituents .....	108
2.4. Summary .....	109
3. Postdeterminer position .....	110
3.1. Introduction .....	110
3.2. Quantifiers .....	110
3.3. Numerals and other postdeterminer constituents .....	114
3.4. Quantifier and numeral combinations .....	117
3.5. Summary .....	122
4. Determiner position .....	122
4.1. Introduction .....	122
4.2. Possessives-determiners .....	123
4.3. Determiners-possessives .....	129
4.4. Analysis .....	131
4.5. Residual structures .....	133
4.6. Summary .....	136
5. Summary and conclusions .....	136

## **Chapter 3: Floating structures**

1. Introduction .....	137
2. Previous analyses of floating quantifiers .....	138
2.1. Introduction .....	138

2.2. Stranding analysis .....	139
2.3. Adverbial analysis .....	143
2.4. Summary .....	154
3. Syntactic structure of the Old English clause .....	154
4. Floating quantifiers in Old English .....	157
4.1. Introduction .....	157
4.2. Floating non-nominative quantifiers: leftward movement .....	160
4.2.1. Topicalization with full-Determiner Phrases .....	160
4.2.2. Topicalization with pronominal elements .....	163
4.2.3. Quantifiers topicalized .....	164
4.2.4. Against the topicalization analysis .....	166
4.2.5. Scrambling with full Determiner Phrases .....	170
4.2.6. Scrambled pronouns .....	173
4.2.7. Scrambled quantifiers .....	177
4.2.8. Against the scrambling hypothesis .....	179
4.3. Floating non-nominative quantifiers: rightward movement .....	182
4.3.1. Verb projection raising .....	182
4.3.2. Other rightward movement structures .....	187
4.4. Further problems for the movement analysis .....	189
4.5. Summary .....	192
5. Conclusions .....	194
Conclusions .....	195
1. Data interpretation .....	195
2. Scope of the work .....	195
